

Buddy Program Intake Form

Redemption Kids is dedicated to creating a SAFE place for kids to have FUN, discover their PURPOSE, and learn to walk in Kingdom IDENTITY. Every child is important to God and deserves to hear about Jesus on their level. It is our goal to pair each child in the Buddy Program with a trained Redemption Kids Team Member who will meet them where they're at and help them understand the good news that Jesus loves them through activities and learning environments most appropriate to them. We love you and cannot wait to get to know you and your child better.

Redemption Kids respects your family's privacy and will only use the following information you provide to better serve your child and their needs. Your information will not be published or shared with any entity outside of the Redemption organization.
