

Diaper Changing Policy

1. Wash your hands.
2. Gather the supplies.
3. Wear clean, non-latex gloves on both hands.
4. Lay the child down on the table and make sure that you use the safety strap.
5. Comfort the child while you are changing them.
6. Wrap up the diaper and wipes into a small bundle. Secure it with the tabs from the diaper.
7. Place the dirty diaper and gloves into a disposable plastic bag and put in the trash can.
8. Remove the used section of the changing paper and throw away in the trash can.
9. Disinfect the changing pad.
10. Wash your hands.
