

HARVEST KIDS ASSISTANT

This handy guide will help you orient yourself to and fulfill all aspects of assisting our teachers in Harvest Kids.

BEFORE KIDS SESSION

- 9:00 – Join the SERVE teams for preservice prayer in the sanctuary.

- 9:20-9:30 – Team prayer in Loer Hall. We will pray over what God wants to do in kids' church that day, and pray over the room, chairs, for the teacher, etc.

- 9:45 – Station yourself in the entry, ready to greet and check in. “I’m so glad you’re here!”, “So glad you joined us today”, are the main greetings to use.

- Give newcomers with children a guest check-in card to fill out. Ask them to come over with their children when kids are invited to Loer Hall, and we will have their security tags ready to give them at that point.

- Welcome regulars warmly by name, and check them in.

- 10am - Join the congregation for corporate worship.

- During announcements – Be ready to escort children to Loer Hall when the kids begin to head over.

DURING KIDS’ SESSION

- Help direct children during transitions and activities.

- Be ready to help with snacks, crafts, or object lessons.

- When things wrap up, station yourself at the check-in computer to check out children as their parents arrive to collect them.
