

LC3 Kids Cash

Earn money for:

- Learning memory verses – 10 repeat it following weeks \$1
- Bringing your bible to church \$1
- Followed our 5 rules- \$1
 - Gentle reminders of remember we are working hard and following rules to earn our kids cash today. Please do not say to the child during kids church that they have lost their money- this can embarrass them and cause them to give up and not try the rest of the time. If a child does loose their money, at pick up we can arrange for them to be pulled aside and explained why, give a chance for apology, love on them, and encourage them to do better next week.
- 1st time guests- 5
 - Have a child visiting that does not think they will be back? They can choose from the treasure box instead of taking kids cash home.
- Brining a new friend- \$5
 - Not an official name tag
- Birthdays- \$10
- Weekly challenge- \$5
 - This will be given out on Sunday and be something to keep the kids thinking throughout the week. They will then turn something in or share on the following Sunday
- Going above and beyond- teachers discretion-\$5
 - Make sure they know why. Attempt to do this personally and not in front of everyone.

Prizes:

- Items on bookshelf will be marked.
- Outing with volunteer or staff member (breakfast, lunch, ice cream)
- Outreach option- every few months we will choose a different outreach option that the kids can give their kids cash to. We will then trade their kids cash into real money for donation.

Store will be opened on the 1st Sunday of the months.

Kids can save for as long as they would like

Suggestion of kids keeping their cash in their bibles to help them remember both on Sundays.

We will be doing this for Kids Club too!
