

# Parent Commitment Service

October 9, 2022

11:00 Service

## Reminders:

- Please be at Connections Café by 10:30 am to have your picture made. Please be on time so you won't miss this opportunity!
- The service begins at 11:00. The Commitment Service is at the beginning of the service.
- You will be entering the worship center in alphabetical order by last name as Dustin introduces your family. **See your number at the top of this paper!**
- Siblings and extended family may sit in the reserved seating section close to the front of the stage. The reserved sections will be marked by Parent Commitment signs.
- When you are on stage, Dustin will lead in a prayer of commitment for your family and those that will be supporting you as you raise your baby.
- After this, you will exit the worship center the same way you came in. You may take your baby to the nursery at this time and join your family in the worship center.

## During the Service:

- Remember to hold your baby's head up to face the audience. Everyone wants to see your cutie's face!
- Please turn cell phones on silent.
- Do not chew gum during the service. This really stands out on the large screen!
- Don't be upset if your baby cries. Everyone understands!
- If you hear the audience laughing during the service, don't worry. They are probably watching the close ups of the babies on the large screen!
