Join us in eternally impacting kids' lives

Hi \_\_\_\_\_

We are looking to returning to in-person kids ministry soon. We would love to have you return. At Conyers First, we are so excited about preparing kids to follow Jesus for life. Childhood is the most strategic time in a person's life when our beliefs, values, habits, behaviors, and desires are all built. Would you like to make a difference in the world? Invest in the life of a child.

I believe that you would be an excellent large group leader on Sunday. This role aims to "make worship and learning the bible story fun and engaging." We are using an awesome new curriculum called Go Curriculum ([gocurriculum.com](http://gocurriculum.com)). I have attached the full job description for that role.

Please let me know if you are interested. Please let me know if there is anyone you think would be an excellent addition to our team.

Please do two things for me.

1. Please reply to this email or text me at (XXX) XXX-XXXX and tell me your interest. If you want to serve, but this role is not suitable for you, other positions are available.
2. Provide me with names of anyone who goes to Conyers First, who you think could serve with us.

## **Nursery**

Join us in showing God's love to little ones at Conyers First

Hi \_\_\_\_\_

We are looking to relaunch our in-person kid's ministry soon. I would love to have you be part of the team. At Conyer's First, We know that showering kids with God's love is the most critical step in preparing kids to follow Jesus for life. We can't start too soon; infants and toddlers need adults to show them God's love. Not to mention, it lets young parents worship God without worrying about their little ones.

I believe that you would be great in our nursery team. The goal for this role is to "Pray for, love, and engage the little ones." I am looking for someone to take on this mission. To be willing to be the consistent face of our nursery to the little ones and their parents. I am looking for someone ready to serve every week in our Nursery Leader role. If that is too much, I would love to sign you up to help in the Nursery once a month. I have attached the full job description for both the leader and assistant roles.

Please do two things for me.

3. Please reply to this email or text me at (XXX) XXX-XXXX and tell me your interest. If you want to serve, but this role is not suitable for you, other positions are available.
4. Provide me with names of anyone who goes to Conyers First, who you think could serve with us.

## First Impression Teams

Hi \_\_\_\_\_

We are looking to relaunch our in-person kid's ministry on March 7. I would love to have you be part of the team. Did you know that first-time visitors decide whether they want to return in the first 10 minutes of arriving at the church? This means the most crucial role in capturing families to disciple kids for life is our first impression team. We know that the two most important questions that new families ask are whether my child is safe and welcome. You can make sure their answer will be yes.

I believe that you would be great on our first impression team. The goal for this role is to "make the best first impressions." You will greet families and check them into our ministry. You will ensure our kids' area is safe throughout the entire service. Most importantly, you will help new guests register and learn about the kid's ministry. I am attaching the job description for you. If you want to serve, but this does not seem like the role for you, let me know, and we can find the perfect position for you.

Please do two things for me.

1. Please reply to this email or text me at (XXX) XXX-XXXX and tell me your interest. If you want to serve, but this role is not suitable for you, other positions are available.
2. Provide me with names of anyone who goes to Conyers First, who you think could serve with us.

Hello Colleen,

Thank you so much for serving our 3-4 grade girls this last year. They loved you, and you cared for them so well.

Are you interested in making the same kind of impact next year? We would love to have you back as our 3-4 grade girls leader!

Please let me know what you are thinking. We have other roles available if you would like to consider doing something else. If you have any questions, please let me know. I would be happy to meet with you.

Hi \_\_\_\_\_

Last year you helped kids learn the foundation of God's story in Genesis, learn about Jesus in the gospels, and memorize the Roman Road. This year you can help kids learn about God's faithfulness as we travel with the Israelites from the wilderness through conquering Jericho. You will help kids learn verses about turning to God with our needs, running the race before us, and having faith in Jesus. Please join us this year as our 3-4 grade girls leader. Please let me know what you are thinking.

Call

As you may know, I am leading Kid's ministry, and we are spending time this summer developing teams for Kids ministry next fall. I believe that Faith Kids will make an eternal impact this year. Childhood is the best time to reach people for Jesus. I think that we can find a significant role for you to serve. We have different levels of involvement and commitments, from coaching the adults who work with the kids to sitting alongside preschoolers and plenty in between. I would be glad to send you a list of the various roles for you to look at and pray over. If you have any questions, let me know. We want to give everyone a place to serve.
