

Salvation Follow Up Cards For Children's Ministry

A child tells you that they accepted Christ into their lives! Now what?

- Obviously there is much joy and celebration to be had
- We audibly and physically show our excitement for the decision the child just made (smiles, hugs, hand clapping, celebration hollering, etc.)
- We make sure their parents/guardians know
- Encourage them to tell their friends and others

Then the church, or the children's ministry, or a Sunday school teacher sends out a Salvation Follow Up Card:

- Use the template to personally handwrite the card to the child
- Mailing it is so much more personal than an email and kids love receiving mail
- Giving it to them in person is also effective
- Adding stickers or a bookmark or even an ice cream gift card is a nice touch

Follow Up Card Template/Message:

Dear (Child's name),

We are overjoyed to hear about your decision to follow Jesus and accept Him into your life! This is the biggest and best decision you can make in your whole life! We will be praying for you as you grow in your friendship/relationship with Jesus. Let us know if you ever have any questions about being a follower of Jesus!

In Christ,

Mrs. (Teacher's name) and the Grace Kids Team
