

WELCOME!

Let me be the first to say Welcome to Children's Ministry! My name is Delicia Miller and I oversee the children's ministry here at Crossroads Life Church and I am so excited that you want to be part of the team!

Children's Ministry is one of the many ministries that are continually growing at CLC. We currently have four different classrooms to accommodate the different ages of children which include:

- ❖ **Toddlers:** Newborn - 2 years old
- ❖ **Preschool:** 3-SK
- ❖ **Elementary Grade 1-3**
- ❖ **Elementary Grade 4-6**

Preschool and Elementary are classrooms that contain a new and exciting curriculum which engage all children with fun games, creative teaching and activities to help them learn more about God! In these classrooms there are different roles you can serve in; you can serve as a teacher who would teach the lesson and introduce small group discussions and activities or serve as a helper to assist the teacher by helping the children participate in activities, crafts and lesson when the teacher instructs.

Since the Toddlers room does not contain a lesson plan the main goal with serving in these areas are to make the parents and children feel welcome, safe and cared for. Serving in this room involves caring for the children and providing them with fun activities so the parents can fully engage themselves in the service.

What about diapers? Eww! Don't worry about it, because of insurance reasons no serving members are asked to change diapers or assist children in the restrooms. In the case of an emergency bathroom need we can text the parents to assist their own children during the service using our Planning Center Check-In system.

Please feel free to ask any questions you have regarding the different classes we have at Crossroads Life Church.

Thanks,
Delicia Miller
